

**Open Doors Center K-8  
Summer Programs 2010**

4645 W. Bell Road  
Glendale, Arizona 85308

Open Doors Center will host three 4-day summer programs during the weeks of June 7-10; June 14-17; and June 21-24, 2010.

**June 7-10 9am-2pm**

**Theatre/Arts**

*This week will consist of learning the basics of theatre arts, writing a script or play, and performing it. Students will work with a theatre and arts teacher to construct scenery and props, design costumes, rehearse scripts, and participate in a final production.*

**June 14-17 9am-2pm World of Animals**

*This week will be an adventure into the world of animals. We will experience animals native to Arizona and the other parts of the world. Students will participate in an adventure to Out of Africa Wildlife Park near Prescott, Arizona.*

**June 21-24 Discovery Through Science**

**9am-2pm**

*This week we will experience hands-on activities as we discover space, nature, and the scientific world we live in. Students will create individual exhibits based on their interests and displayed on the last day of class.*
